FAQ

Do I need to pay monthly fees for my APP? No, these payments are made every year, and includes the following: Minor changes, one APP update, host your images, data, use of the CMS (background tool to control and use your app). Also, in case you got extra features like Loyalty cards, club cards, Geofences, Beacon, etc. you will require to pay extra fees.

Are there any esclusions or apps that you don't develop? Yes, the ones that Apple or Android prohibits, like Sex, illegal, racism, some health applications, and internal-use applications. Contact us first to see if we can develop your app.

Do you make my own app for IOS?

Yes, we can create an APP for you on IOS and Android. Contact us and let us know your requirements.

Do you support PWA? Yes, we can create PWA too.

For which industries you can create an app? From Restaurants and Gyms, to schools, churches, all types of small businesses

How If I cancel my subscription? Your app won't work anymore, it will not be deleted permanently, just in case you can continue again with us.
