## FAQ

### **What information do I need to give to get my own logo?**

Brief about your company. Logo name and Tagline Slogan (If have). Color scheme. Logo Type. Your ideas and example images (If have). You will receive a delivery form with this and all the requirements we need to get from you.

### **What do you need to create my flyer, brochure and postcard?**

Size, orientation (vertical / horizontal), content text, company logo, images if you have, any other related information. We will provide you a delivery form with this and all of the requirements we need.

### **What do I need to provide you if I need a business card design?**

We will need your logo, your name, title/position, phone number, email, website, address, services, social media information. We will send you a delivery form requesting this.

### **Am I going to have copyright ownership to the designs?**

Yes, you will have full copyright ownership to the designs.

### **How many revisions can I request?**

Unlimited, All of our projects come with unlimited design components and revisions for the same price. Until you get satisfied.

### **Why should I need a vector file?**

The benefit of having a vector file means you can scale, resize, color change without losing quality. And it is very important for printing material, advertising campaigns, social media, etc.

### **Do you add a QR Code on the business cards?**

Yes, we can add it.

### **Do you have some samples of your previous designs?**

Yes of course, Please ask for them, and we can show you samples of our work.
