## FAQ

### **The service I need it's not listed, can you help?**

Contact us, and get your special price for the service, we can tell you in case we don't support it.

### **I have an excel sheet, and I want to automate it, can you help?**

Yes, contact us and let us know all the details you want. In case excel doesn't have the functionality we will let you know.

### **Do you have programming services?**

Contact us, we have staff dedicated to it.

### **What is local Listing?**

We can offer 70 local directory listings. No more tedious manual directory creation. But what are directories: is a local business listing that contains a Business Name, Address and phone number along with other details. There are a lot of directories and websites like Google, Bing, Yelp, 411, foursquare and much more.
